**PAVING WORK ON NH ROUTE 87 IN EPPING**  
***ONE-HALF MILE NEAR THE LAMPREY RIVER***

The New Hampshire Department of Transportation announces paving work is scheduled to occur on Friday, June 18 and Monday, June 21, 2004 on a half-mile section of NH Route 87 in Epping.

This paving work will take place on NH 87 from Diamond Hill Road to past Jacobs Well Road. Minimal traffic impacts are anticipated on June 18, but one-way alternating traffic will be necessary on June 21 between 7:00 AM and 5:00 PM. Flaggers will be used to assist traffic through the work zone. Delays should be expected on June 21.

This \$3.1 million project involves the rehabilitation of a section of NH Route 87 and a new bridge over the Lamprey River. E.D. Swett Inc. of Concord, New Hampshire is the general contractor for the project. Pike Industries of Belmont, New Hampshire is the sub-contractor for the paving work.
